# FALL FLING

GREATER WASHINGTON CEILI CLUÓ

June 7, 2020

Fellow Dancers,

It will come as no surprise, but I still regret that I must confirm for you that our Board has decided to cancel the GWCC Fall Fling for 2020.

We must acknowledge that many of our participants are older and some may have additional vulnerabilities that would make close contact risky. Also, some of you travel a good distance to join us which could be an additional exposure risk. Set dancing doesn't seem prudent at this time.

We really appreciate your support over the years and are terribly disappointed to have to cancel. While it would be nice to gather together again at the beach, we don't see a safe way to make this work this fall. Currently, we're looking to 2021 with hope, but we're holding off on that decision for now. I'll be sure to let you know when decisions are made.

If you have already reserved your room for 2020, please don't forget to cancel that too.

Please stay safe and have the best summer you can, looking forward to the day we can dance together again.

Regards,  
PAUL O'Donnell  
GWCC Fall Fling Chair
